VISITORS' BUREAU IN ACTIVE SEASON

The Visitors' Bureau of the Palm Springs Chamber of Commerce answered some 75,000 inquiries during the calendar year of 1959. It was reported today by chamber manager Jimmy Cooper. Commenting on specifics Cooper pointed out the inquiries represent 32,977 walk-in visitors to the chamber; 32,596 telephone calls and 9,422 replies by mail. These figures reflect and increase triple the amount of inquiries processed in 1952, when less than 25,000 requests for information were made to the chamber.

THE BUREAU IS OFTEN the first contact visitors have with the village and plays an important part in the overall tourist picture. The past year the bureau distributed 50,000 maps, 50,000 4-color brochures, 20,000 Fact Folders, 35,000 "Where to Stay" guides and 25,000 classified business guides. As a special service the visitors' bureau maintains year-round headquarters for the agricultural inspector and on occasions serves as headquarters for the armed services and the census.

THE BUREAU PROVIDES information to the visitor regarding special events, golf tournaments, Desert Circus activities, rodeos, points of interest and events taking place within the greater Palm Springs resort area. Also, they screen solicitors and channel bet-

Pasternak Has New Setback

MOSCOW (UPI) — Soviet author Boris Pasternak, 70, has had another setback in his recovery from two heart attacks, friends said today.

To Begin Friday

Senate Summit Probe Ordered

WASHINGTON (UPI) — The Senate Foreign Relations Committee voted unanimously today to hold a "full bipartisan hearing" behind closed doors on events leading up to the summit failure. Chairman J. William Fulbright (D-Ark.) said the hearings will start Friday morning with testimony from Secretary of State Christian A. Herter. They will be modeled after the 1951 closed-door hearings into the firing of Gen. Douglas MacArthur.

AT BONN, GERMANY Chancellor Konrad Adenauer told Parliament today that Soviet Premier Nikita Khrushchev's sabotage of the Paris summit conference "destroyed all our hopes."

IN NEW YORK, Gov. Nelson A. Rockefeller has called for a national debate on "the general illusions leading to the summit conference" and on U. S. actions immediately prior to the Big Four meeting in Paris. Rockefeller, still considered by some a possible contender for the Republican presidential nomination, did not mention specifically the U2 spy plane downed over Russia May 1, or the U. S. S. 's' administration that the plane was on an espionage flight.

Tidal Waves Still Smash Pacific Area

Death Toll at 139;
Damage Will Run Into Millions

TOKYO (UPI) — Tidal waves up to 32 feet high lashed a great crescent of the Pacific from Australia to Alaska Monday night and today.

Partial reports listed at least 139 dead and many missing from the earthquake-driven seas which raged across more than 5,000 miles at plane-like speed. Un-counted hundreds were injured and damage ran into millions of dollars.

JAPAN'S HEAVILY populated main island of Honshu bore the brunt of the towering walls of water which pounded the coasts at 40 minute intervals for periods as long as 18 hours. Nearly 800 casualties—dead, missing and injured—were reported in Japan alone.

The tidal waves, rolling westward from earthquake-stricken Chile, struck the Hawaiian Islands Monday, killing 32 persons and leaving 27 missing. The waves swept on to Okinawa, the Philippines, New Zealand, Japan, Australia, and most Pacific islands.

IN CHILE, WHERE weekend earthquakes, floods, tidal waves and a volcano eruption wrought terrible havoc, authorities in Santiago said more than 1,000 persons were dead or missing and 100,000 homeless.

Loss of life on such U. S. Pacific bastions as Okinawa, Johnston Island and others were prevented by ample warning. However, three natives were killed on Okinawa and eight Maori were swept out to sea when 10-foot waves pounded New Zealand.

IN JAPAN THE destruction was great. The Japan National Broadcasting Corporation reported 96 persons dead, 75 missing and 626 injured.

WEATHER

Desert area forecast:
Mostly sunny today and Wednesday. Winds 15 to 25 miles per hour at times. High temperatures today 67 to 77 upper valleys, 77 to 87 lower valleys. Slightly warmer Wednesday.

TWO WINNERS FOR ONE PRIZE—BUT THERE'S A SOLUTION

Almost everyone in town expected the unusual from the "Backstage Roundup" held Saturday around the pool at the Deep Well Hotel.

But practically no one was prepared for two winners of a single prize.

The Friends of the Ferrall's Playhouse at Deep Well today announced that because of "an obvious tie" in bidding for the major prize in the "Dutch Auction" conducted by Dr. George Milkie, the Friends had decided to give duplicate prizes — a one week vacation at Escondido's luxurious Golden Door.

The group received an unexpected boost today when the Golden Door's owner — Mrs. Deborah Szekely — said she would give the second week in the interests of the continuance of theater in Palm Springs.

The duplicate prizes go to Jack Baron and Tony Cosentino.

4,700 Engineers, Architects Vote '61 Leaders Here

Charles McGinnes, San Diego, was elected president of the 4,700 member Engineers and Architects Association during the group's convention at the Riviera Hotel here.

THE ASSOCIATION comprises engineers and allied technical workers in southern California. Delegates here represented the Civic Center, Los Angeles county, and Metropolitan chapters from Los Angeles, plus Pomona Valley and San Diego.

The association is the collective bargaining agent for 7,500 engineers and associated technical employees for General Dynamics Corporation's Convair Division.

MAJOR CONVENTION work included board elections, and constitution and by-laws amendments to conform to Landrum - Griffin act requirements.

Board members elected were James Cremins, John McEntee, Charles McGinnes, George Brown, James F. Dixon, Frank Amos, R. M. Robertson, Robert Olson, and Herman Rudin, Leon Turner of the Civic Center chapter was convention chairman.

'Ma' Dodd Remembers Early Days Of Desert Hot Springs Growth

By ELLEN SAUNDERS

"I never knew anyone to be as fond of apple pie as Ida Lupino and Louis Hayward. As soon as they came into the kitchen I knew what they were after and of course I baked a pie."

The 74-year-old "Ma" (Mrs. Chester B.) Dodd was sitting in the office of the trailer park she operates, reminiscing about her 20 years in Desert Hot Springs.

SMALL - STATURED AND light of foot with bright, black eyes that attest to her Spanish ancestry — her great-grandfather Raphael Gallardo settled in California in 1818 — Ma Dodd is known as a good neighbor, a trait which fittingly enough led her to this community.

'MA' DODD

We moved here April 21, 1940, purchased a lot with a small building on it for a few hundred dollars and opened the Idle Hour Cafe.

NEARLY \$1,000 FOR EACH permanent resident of Palm Springs is represented in this check being here. JCC APPEAL HEADS COUNCIL'S AGENDA

A public hearing on an application by the Jewish Community Center for a change of zone from R-1a to R-2 will be held Wednesday night before the Palm Springs City Council.

Official action of approval or disapproval is expected to be taken at the session which will include some 25 other items on a long agenda.

THE APPLICATION for the change of zone will also be coupled with a request for the abandonment of Vine Street.

Since the hearings which were held before the Planning Commission, the city has received three more protests to the application from Mrs. J. Holt McCracken, Warren and Mae Gerow, and William O. Burt, representing Mrs. Adele Curren.

OTHER MATTERS before the council include eight Planning Commission matters: a sign variance for Germain's Liquor Store; the appointment of a council finance committee; the replacement of Harry Paisley on the Planning Commission; the

establishment of new Summer Golf Course rates; fund adjustments and appropriations. Two other hearings will include an appeal by George E. Goldberg on the denial of an application for a zone change from R-1a to R-3 and the abandonment of Vine Street.

TWO ORDINANCES will be up for introduction — the repeal of the ex-con registration ordinance and an ordinance regulating solicitations by veterans and veterans organizations.

Under recommendations of the city manager, the council will take action on four other matters, including:

— Request from Metropolitan Builders for extension of time for removal of temporary tract office at 1900 East Palm Canyon Drive;

— Request to the State Department of Public Works requesting that Avenida Caballeros — from Tahquitz Drive to Alejo Road — be added to the City's system of major streets;

— APPOINTMENT OF Harry Paisley as council representative on the traffic advisory committee and the mayor's appointment of a committee chairman;

— And a resolution for the State Division of Highways requesting that the speed limit on Palm Canyon Drive between Via Escuela and Via Olivera be changed from 45 mph to 35 mph.

Architects, Board Eye College Plan

PALM DESERT — Architects will meet again with the board of trustees of the Coachella Valley Junior College district at 7:30 p. m. Thursday here.

Dr. Roy G. McCall, president of the "College of the Desert," said today that architects and trustees will meet for further discussions on building plans for the school. The school will be built for occupancy September, 1962.

HENWOOD PRAISES VILLAGE TURNOUT FOR BLOOD BANK

An excellent turnout was recorded at the May visit of the Riverside - San Bernardino two-county Blood Bank at Desert Hospital Monday, with 33 pints donated. Hospital Administrator Robert Henwood reported.

A total of 37 persons appeared to donate blood, with four rejected for medical reasons. Regular quota is 25 pints of blood.

The next visit will be in June, and this will be the last one until next September.

City Receives \$1.5 Million in Sewer Bond Sale

Palm Springs received \$1,555,034.60 Monday for \$1,550,000 worth of general obligation bonds for the new city sewer plant and nine miles of main trunk lines.

City finance director Shelby V. Langford explained that the "surplus" came from an \$821 premium given for the bonds by the Security First National Bank, plus interest on the 3.96 per cent net interest bonds from the tentative sale on May 1, to the date of payment. Interest goes the other way, from now on.

The new plant, now under construction, is planned for a September completion date. The plant will have five times the capacity of the current plant — from 800,000 gallons treatment to 4,000,000 gallons per day — and will provide secondary treatment, including oxidation of wastes. City Public Works Director Phil Abrams reported. The sewer trunk lines are scheduled for December completion.

Langford reported that the \$380,000 treatment plant and trunk lines will leave an estimated \$250,000 surplus temporarily in the special fund.

\$36,000 in Damage

Firemen Stem Sandpiper Blaze

PALM DESERT — Alert fire-fighting saved an estimated \$60,000 worth of property, while \$36,000 worth of damage was caused to two units in the Sandpiper "own-your-own" apartments here at 2 p. m., yesterday, the state Division of Forestry in Indio reported today.

ALTHOUGH NO ONE was injured in the blaze, John Kramer, a tenant in an apartment owned by Dr. Hugh Miller, Stanford, Conn., was given resuscitator aid by forestry firemen for smoke inhalation. Kramer was given emergency treatment at Desert Hospital, Palm Springs, and released.

U. S. Officer Told to Pick Delivery Time

Team to Decide If Downed C-14 Can Make Trip

BERLIN (UPI) — Soviet forces announced today they will release nine Americans captured Friday when their Army C47 transport plane was forced down in East Germany by Soviet jet fighters. Col. Gen. I. I. Jacobowski, Soviet commander in Germany, said the eight American men and one woman and the aircraft would be turned over to the U. S. Army at the place where the aircraft landed. None of the Americans aboard the plane was from the Far West.

IN A FORMAL NOTE to Gen. Clyde D. Eddleman, U. S. Army commander in Europe, Jacobowski said the time of the turnover could be chosen by the Army.

The Army's European headquarters in Heidelberg said a delegation from the American mission at Potsdam in East Germany was en route to meet with the plane's crew. The delegation will determine whether the plane is in sufficiently good condition to fly out of the wheat field where it landed or whether the crew will have to be moved by some other means.

JACOBOWSKI'S NOTE was in reply to an American note during the weekend demanding the release of the six passengers and three crew-members who became lost on an hour's flight from Copenhagen to Hamburg and strayed across the Iron Curtain.

The five days during which the nine Americans have been held captive had been filled with rumors that the Russians were going to hand their prisoners over to Communist East German authorities.

THIS COULD HAVE created a major international incident since the United States refused to recognize the East German satellite government.

East Germany has attempted similar efforts in the past to force direct negotiations with Washington but the attempts failed.

Snake Victim Makes Progress

LOS ANGELES (UPI) — Kenneth Earnest, 22, bitten eight days ago by the world's deadliest snake, was reported making "wonderful" progress toward recovery today in General Hospital. Given only a 2-in-3 chance of living when admitted to the hospital last week, Earnest now can look forward to the day when medical treatment may restore him to near normal, according to doctors.

Firemen Stem Sandpiper Blaze

A PORTION of another apartment, owned by Merrill Butler, of Newport Beach, was burned causing damage to the living room and a bedroom. Four fire units from Palm Desert, Indio, Thousand Palms and Cathedral City responded to the call. In addition to forestry fire-fighters, 17 volunteers fought the blaze for an hour before it was completely out.

2 New Pools for Spa

OPENING ON FRIDAY are the two new outdoor mineral pools at the Palm Springs Spa. One of the pools features the revolutionary hydro-jet swirlpool action, the first and only of its kind in the world. Shown above going over the specification sheets are, from left, Joe Evers, Spa vice president and general manager; William Leeb, stockholder, and Edward Binning, general supervisor for the Hight Construction Company, builders of the Spa. (Desert Sun Photo)

Facilities Will Open On Friday

On Friday, two new outdoor mineral pools and additional facilities and services at the Palm Springs Spa, at Tahquitz and Indian Avenue, will be opened to the public, Samuel H. Banowitz, president of Palm Springs Spa, Incorporated, announced today.

The project, covering 8,600 square feet, was designed by Philip Koenig, A.I.A., of Chicago and Palm Springs, and constructed by the Hight Construction Company, with Edward Binning of Palm Springs as General Supervisor for the construction company.

IN ADDITION TO the two pools, which utilize the 104 degree therapeutic waters of the historic Agua Caliente mineral springs, the expansion includes a new completely air conditioned dressing room building for guests using the outdoor pools, facing an outside patio of washed terrazzo tile, with a partially shaded area.

The dressing and locker room building covers 2,500 square feet, and the exterior is of Mexican chip stone. The interior, with individual dressing rooms, is of concrete, terrazzo and ceramic tile.

THE OUTDOOR mineral pools are the first in Palm Springs and one of them, which features the revolutionary hydro-jet swirlpool action, is the first and only of its kind in the world. The Hydro-jet action is swirling motion of air and water which creates a vibrating massaging action. It was invented by Joseph H. Everston of Palm Springs, executive vice president and general manager of the Spa.

This pool, approximately four feet deep and 35 feet in scalloped diameter, will be called the "foot swirlpool," for it allows the bather to sit on the pool's side and be partially immersed in the mineral waters which makes it possible for longer hydrotherapy treatment on one part of the body. The constant turbulence of the water and vibrating aerated water action against the hands and feet creates a soothing and relaxing action and helps reduce the pains and stiffness of rheumatism, arthritis and bursitis.

THE LARGER CIRCULAR pool is four to six feet deep and fifty feet in diameter. There is an island in the center which supports symbolic sculpture of copper and fire - colored enamel representing the themes of Indian sandpainting - Father Sky, Mother Earth, The Four Seasons, The Indian Ladder of Life and the Sun, Moon, Water and Fire, translated into plant form in copper.

The sculpture was done by Dexter and Charles Frankel, of Corona Del Mar, who also created the effective and decorative glass tile in the men's dressing room of the main Spa building.

PARKER, ZENDER and Associates, Los Angeles, were the Structural Engineer Consultants for the two pools, which are controlled and constantly filled and refilled through all copper pipes from the mineral springs by the first Spanish padres who came to Palm Springs.

For centuries these springs have been a shrine and gathering place of the Indians, who came for health, rejuvenation and curative help from bathing in and drinking the "magic" waters. Owned by the Indians, the site was leased last year after a special bill, sponsored by Representative D. S. Saund, was passed by Congress resulting in the 99 year lease and development of property by Samuel W. Banowitz and his associates, William Leeb, Maxwell Rubin, Victor Nemeroff, David Dimsdale and Joseph H. Everston.

The charge for the use of the outdoor pools will be \$1.50 per person for all day if desired, and includes the use of complimentary towels, air conditioned dressing rooms and lockers and free parking. They will be open everyday from 9 a.m. to 10 p.m.

PAIR INJURED IN WEEKEND CRASHES

Two injury accidents were reported in Palm Springs over the past weekend, both causing injuries to drivers and occupants. Joan Ann Pritchett, 25, Bellflower, received minor injuries when she fell out of the car which she was driving following a collision on Highway 111 at Tipton Road Saturday morning.

POLICE OFFICERS said that Miss Pritchett was apparently driving on the wrong side of the road when her car collided with one driven by Richard Bandick of Thousand Palms.

Miss Pritchett was cited for driving on the wrong side of the road. In the second accident, James

Thompson, Junior, 37, of 345 South El Segundo, and a passenger, Carl Missouri, 37, 364 South El Segundo, received minor injuries when they ran into a parked car near the intersection of Alejo Road on Palm Canyon Drive.

THE ACCIDENT occurred when Thompson attempted to apply his brakes and his foot slipped off the brake and onto the accelerator, causing the car to smash into the parked car belonging to George T. Beebe, 152 North Palm Canyon Drive.

Missouri received facial injuries and Thompson complained of chest pains from hitting the steering wheel.

Two Arrested For Petty Theft

Two Palm Springs men were arrested Sunday and charged with petty theft, after they allegedly took two bed spreads and "a lot of bar glasses" from Del Tahquitz Hotel.

Value of the loot was estimated at \$60. Arrested and charged with petty theft were John Martin, 35, an employee of the hotel, and Clarence D. Fulgham, 18, who police said admitted the theft of the bedspreads and glasses.

The two are scheduled to appear for arraignment today in Palm Springs Judicial District Court.

HAROLD HICKS PARTICIPATES IN WATER CONFERENCE

BAL HARBOUR, FLA. — Harold J. Hicks, Palm Springs realtor and president of the Palm Springs Water Company, participated in the 8th annual conference of the American Water Works Association here, May 15-20.

The Association, 13,000 strong, includes engineers, operators, and water works officials. Raymond J. Faust, secretary of the group, warned that demand for domestic water will more than double within the next 20 years. He reported that construction of new facilities is valued at approximately \$500 millions annually.

Bullet Hole Puzzles Deputies

Sheriff's deputies are seeking clues to a small bullet hole in a service station window at 30-861 San Gabriel Street near Palm Springs today.

Deputies at Indio reported that William L. Paul opened his station at approximately 8 a.m. Monday to find a hole that apparently was caused by a .22 calibre rifle bullet, in a front window. No entry attempt was reported.

SAUND IN ALERT ON WATER 'THEFT'

WASHINGTON — Congressman D. S. Saund today alerted irrigation districts of Riverside and Imperial counties to a proposal which is aimed at taking away their priorities to Colorado River Water for Agricultural purposes.

He said the threat is carried in the proposal of Congressman Craig Hosmer (R) Long Beach, for a California - Arizona - Nevada interstate compact creating a joint water-power development authority which would control all existing and future water - power developments on the Colorado River.

SAUND SAID THAT Hosmer's press release, made public last week, admits that the key points of his proposal "would be the elimination of existing priorities on use of Colorado River water for irrigation purposes," claiming that "today the future of these three

states lies not in agriculture but in industry."

The Westmoreland Congressman addressed an air mail letter to officials of Coachella Valley County Water District and other major water districts in the two counties, asking them to study the proposal and send him their comments.

HE ALSO TELEPHONED water officials to arrange meetings at Coachella and El Centro, when he is in Riverside and Imperial counties for the June 7 primary election. In order to discuss Hosmer's proposal and the water conference of California Congressman and Southern California Water Agencies which Saund has called in Washington on June 18.

The Coachella meeting will be held June 6 at the Coachella Water District office.

private homes."

"During those years a few people began to visualize the town as a potential health resort. In 1943 Tom Lipps built the Desert Spa and the first two motels, the Su Casa and El Chico were constructed."

THE OPENING OF COFFEE'S Bathhouse and the flood of 1942 were to Ma Dodd the most exciting events of those early years.

"The day the bathhouse opened was just like Indio at fair time," she explained, "you never saw so much traffic, thousands of cars jammed the roads."

The flood was caused by a two day rain so heavy that water poured through Little Morongo Canyon cutting off the community from Palm Springs and causing one man to lose his life.

"THAT FOLLOWING spring," Ma continued, "the fields were yellow with anemias as far as the eye could see."

As the town grew and civic

groups formed the Dodd's found time to participate. Mrs. Dodd became a member of the first Chamber of Commerce and the first Women's Club and served as president of the V.F.W. Auxiliary.

"We sold the cafe in 1946," said Ma Dodd, "and two years later built the trailer park. Things were dull for several years after the war ended. New settlers were few, roads were still scarce and not kept up but I never lost faith in Desert Hot Springs and sure enough by the early fifties the town was booming again and this time it's going to last."

MA DODD'S HUSBAND died last summer.

"But I'm staying right here she confided, "looking after my flowers, and working for the Women's Auxiliary of the Angel View Crippled Children's Foundation."

"A surgeon performed 13 operations on my grandchild free of charge in order to correct a cleft palate, and helping other children is my way of repaying him."

Accident Victim Found in Canal

CALEXICO — The headless and armless body of a man injured in an auto accident April 3, was found today in the All American Canal which runs southward to here through Indio.

San Diego sheriff's deputies identified the man as Armando Ramirez Valenzuela, of Delano. He was seen to stumble away from the scene of the wreck on U. S. Highway 80 north of here, and apparently fell into the canal.

Dear Abby... by Abigail VanBuren

DEAR ABBY: My wife's sister lives with us. She is 36, not bad looking and can talk your leg off. She's had three husbands and couldn't live with any of them. This woman is able-bodied but refuses to get herself a job. She sits around all day and my wife gives her money for the beauty shop. We also buy her clothes. I make very good money. My only extravagance is playing the horses. I never gamble over my head, so that's my business. If I refuse my wife or her sister any money, they throw it up to me about the horses.

The last straw came when this sister-in-law told me she won't go to work until she gets her nose beautified. It will cost \$600. My wife told her to go ahead and get it done and we will pay for it. What is your opinion of this?

DEAR BERNIE: If you want to put your money on a horse's nose, no one can stop you. But you don't have to put it on your sister-in-law's nose unless you want to. You've been far more generous than most brothers-in-law would have been. Tell them enough is enough.

CONFIDENTIAL TO COOPER: You credit her with more intelligence than she possesses. Don't forget, even a clock that is not working is right twice a day.

"What's your problem?" Write to Abby in care of this paper. For a personal reply, enclose a stamped, self-addressed envelope. For Abby's pamphlet, "What Teen-agers Want To Know," send 25c and a large, self-addressed, stamped envelope in care of this paper.

Beverly's Mom Says She'd Make Girl's Counselor

HOLLYWOOD — (UPI) — Mrs. Florence Adland said today she wants to become a spiritual counselor dedicated to helping young girls in trouble.

"I believe," she said, "that so many young girls called juvenile delinquents need understanding and love — not punishment."

Mrs. Adland's daughter, Beverly Adland, was released from juvenile hall yesterday where she has been held since April 9 for lack of parental supervision.

Beverly, 17, will not return to her mother's home, however, Superior Judge Allen Miller — who presided over the teen-ager's sex delinquency hearing — decreed she will reside in the home of Leonard Eilers, cowboy actor turned evangelist, and his wife and daughter in suburban Granada Hills.

Mrs. Adland, 53, and platinum haired but only 46 by her own admission, said she is "qualified to help those girls and I know definitely that I can."

"I have read the bible three times, I haven't had a date in six months and I have always tried to do the right thing," she said.

Friends Post Mortem Their 'Roundup' Show

By GEORGE LAINE

They're not going to be able to tell exactly how the "Backstage Roundup" last Saturday fared financially until Thursday or Friday, but it was an elated group of people who gathered in the skeleton of the Deep Well Playhouse yesterday to evaluate the job they did.

Dan Flax, trying not to sound overly optimistic, allowed that the "Roundup" had done "considerably better than we had expected." The initial goal set by the Friends was a \$3,000 figure.

YESTERDAY'S MEET was actually the most heart-warming of all of the sessions held by this group.

Harper Goff, who has been the director-general (as well as founder) with Ida Itkin of the Friends group, stood up and delivered a brief but all-inclusive eulogy to the group.

Your columnist's effort of yesterday was read into the record and Allan Jones stood up and said he and Mary both wanted to be heard on having "never in our memories worked with so dedicated a group of people."

THEN DAVID ITKIN, whose background in the theater reads like a sort of history of the theatrical arts over the past half century, stood up.

For almost five minutes, Itkin told the Friends exactly, specifically what had been in each of their minds, in each of their hearts since the initial moment of the first meeting.

He held his audience spellbound, but that is par for the course for David Itkin.

NEAR THE END he said that

Mike and Marrian had suffered great adversity in this 1960 season but that, traditionally, they had thought of self second, their theater first.

"They know what it means to say 'The show must go on,' — and it did," Itkin said, softly.

It was the first time in my lifetime that I've ever heard that phrase removed from the category of a line in a song and given the context that thespians know it carries.

I ERRED YESTERDAY when I spelled Carl Krautter's name incorrectly. (I also spelled his son Jack's name so that it came out Richard.) The reason I'm making such a point of a misspelled name is because of the tremendous job the two of them did in their thankless job of cleaning up the aftermath of the "Roundup."

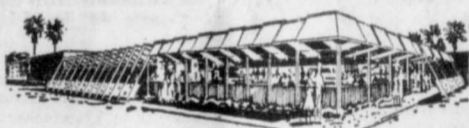

You'd need a special edition of the Desert Sun to carry all of the names of the persons who aided the "Roundup" to success. I can't name them all but as soon as Helen Morris gives me the names of all of the people who contributed food to the beautiful buffet, you'll hear about that.

Meet Attempts To Stymie Strike

NEW YORK — (UPI) — Representatives of Actors Equity and the League of New York Theaters met today in an effort to avert a New York theater strike June 1. The actors union Sunday rejected producers' contentions that higher wage minimums and other benefits would force ticket prices up and thus reduce audiences.

The Desert Sun is an independent newspaper dedicated to truth, accuracy and impartiality in the news; to the progress of the desert region; to the support of that which it believes to be right and to the defeat of that which it believes wrong.

After All It's Your Money

With the start of budget considerations by public bodies, it is once again time to urge each member to watch carefully over expenditures and eliminate the "frills" and stick to the essentials.

A steady history of increase in expenditures, and a subsequent increase in the amount needed to be raised, has been recorded in the Desert area.

Much of this is due to the rapidly increasing population — with its corresponding demand in certain areas for facilities which are comparable to the older developed sections of towns and cities. But this isn't the whole answer.

There still are residents who wish to continually expand facilities, not taking into account that the cost far outweighs the need. It will take strong individuals in administrative posts and on public bodies to withstand these pressures and adopt a completely businesslike attitude at budget time.

Public hearings will be conducted on all budgets, after they have been considered by the elected and appointed officials, and brought into their near-final form.

Many times in past years The Desert Sun has had to report that budgets were passed after routine discussions by the officials, as no one or a very few appeared at hearings to question, voice approval or protest budget items.

In an expanding area, where costs can easily exceed income and which will result in tax hikes, there must be public opinion expressed for a businesslike operation in all public agencies.

Read carefully all stories relating to budgets being prepared, check over the budgets themselves when completed, and then appear at the public hearings as a watchdog of the various treasuries. After all, it's your money they're spending.

A Year Without Dulles

"We forget that men's ability to control the physical depends upon the moral." — J.F. Dulles, WASHINGTON, D. C. — John Foster Dulles died just a year ago today, May 24, 1959, and immediately things, which were bad enough anyhow, went to the dogs.

It won't do to say that the former Secretary of State was getting ready to pull some miracles. He had six years in office to do that. The best you can say is that he festooned the bottom of the Ship of State with the barnacles of many treaties and alliances which slowed us up — but may also have kept the water out.

SOME OF US would have liked it better if Secretary Dulles had altered, instead of continuing, the diplomatic policy of John — everything which commenced with President Woodrow Wilson. Messrs. Dulles and Wilson, both the sons of Presbyterian ministers, felt that this nation had an obligation to go out and save the world.

It may take another century to say whether this missionary zeal was beneficial, but a year is long enough to say something about another quality in Mr. Dulles — a good quality by any measure, but a quality which had better be displayed by a master — or not at all.

IT IS the quality called moralism. Often it provokes ridicule, for to be moralistic is to

seem stuffy and over-righteous even if this appearance is undeserved. To evaluate the former Secretary's moralism, as a code of diplomacy, we may apply it to some events that have occurred since his death.

Premier Khrushchev's visit of last year is one. It would never have happened if Mr. Dulles had lived and kept command of the American foreign policy. Not that the Secretary was inhumanly or that he was against the exchange of personal visits, but Mr. Dulles believed Communism to be an evil thing, and he knew Khrushchev to be a wicked man. Mr. Dulles did not choose to dignify the Red leader with the sort of reception he was bound to receive as an important visitor of State. It smacked of trying to compromise with sin.

THE 1960 SUMMIT meeting was another event which Mr. Dulles would have bent all his strength to prevent. The Secretary did not want the 1955 Summit meeting at Geneva, and he saw no point in a return engagement of the heads of government.

Mr. Dulles would have said that, until the Russians had demonstrated their bona fides by deeds and not words, no good could be accomplished and much ill might betide another get-together of glamorous personalities in an atmosphere of show and propaganda.

MR. DULLES, the moralist,

is self-depicted in a new book, "The Spiritual Legacy of John Foster Dulles," which is a selection of his unofficial sermons, addresses and articles. The Rev. Henry P. Van Dusen, who edited the work, cites a study of the Dulles vocabulary which finds (to the surprise of no reporter who covered the Secretary) a phrase of frequent repetition: "righteous and dynamic faith."

With no disrespect to the dead, who heard Mr. Dulles sound off with this and other moralistic explanations of his foreign policy were apt to think he belonged in a pulpit instead of in the international forum of the great office he held.

BUT NOW — LOOKING back and looking forward — maybe "righteous and dynamic faith" is not so bad for the fix we're in. It never occurred to Mr. Dulles that evil (Communism) could triumph over righteousness (Democracy). His dynamicism called for taking great risks ("brinkmanship") for big states. What Mr. Dulles termed "faith" is translatable into the vulgar as "courage" or even "guts." Whatever you call it, Mr. Dulles had it in spades.

Given his hatred of evil, his holy confidence in our victory over Communism, his Churchillian fortitude, Mr. Dulles would have been a handy fellow to have around this dismal and disastrous twelve-month since his death.

This Side of The Sun

You will surely Get the digits When you dial Eleven digits.

And, as I understand it, it's not going to be too long.

TELEPHONE COMPANIES are in the throes of changing over all of their lines so that you can sit in your home and dial anybody any place in the nation without calling central.

A marvelous electronic device takes charge of everything, from connecting you with any part of the nation, recording the length of the conversation, making the proper charges and routing you through the quickest way possible.

ALL THAT IT won't do (and some genius will probably figure that out) is to take care of wrong numbers.

Besides, that will be up to you. You won't be able to blame it on central. It was your own clumsy fingers, or, perhaps, lapse of memory.

THE OTHER day a man from the telephone company came to our house at the beach, crawled into the attic and fiddled around with the telephone wires. HE SAID that he was just getting us (and all the rest of the beach city) ready for long distance dialing from the home.

In a few weeks, he said, if we wanted to talk to the son or grandsons in Hinsdale, all we'd have to do is dial, I think he said first the zone, then the area and then the doctor's number.

I ASKED ABOUT THAT and found out that we'd probably have to wait the dial 11 times. That poses a problem.

Right now when I want to dial a number in another area and it has a two-letter prefix and five digits, I have trouble. I get going good but by the time I'm down to the fourth thrust at the dial, I've forgotten the number.

SO WHEN it comes to where I have to dial 11 numbers, I'm going to write it down and check off each number as it whirs around.

Otherwise, I might hit the wrong hole and get a wrong number.

Which I would have to pay for. Just a reminder — when that system is in effect here, keep the telephone where the kids can't play with it.

Or they might dial a number in Newark, N. J. which would cost you a pretty penny. That happened in the Midwest where this system has been in effect for some time.

The party at the other end was amused and talked to the kid several dollars' worth.

EVER SINCE the Australians invented the two-way stick, everything that bounces back with the opposite effect intended, is called a boomerang.

Since I mentioned the critical letters I have received for extolling May as a great month, I have been receiving other letters and calls.

From people who like May and think it is a wonderful month.

I wish I had kept score. I think the good letters top the bad ones.

STAN DELAPLANE:

Grace-and-Favor

A bunch of the neighbors were whooping it up around our place the other night.

The weather has turned warm and we are back at the old barbecue.

There is a good deal of talk and interest about Princess Margaret and Antony Armstrong-Jones.

AS YOU MAY know, the couple will set up housekeeping next month. The Queen will give them a grace-and-favor house. That is the Royal way of saying for free.

Anyway, we all agreed that Antony is one-up without a mortgage problem.

But we further state that the maintenance will be a killer.

THE COUPLE will get Kensington Palace. It was built in the 18th Century by William III. Remodeled by Christopher Wren, it is three stories high.

Let us tell you as veteran householders, a house built in 1700 — something is going to require a LOT of work.

OUR HOUSES WERE built in the last 10 years. And there is scarcely a Sunday that we are not out hammering something back into place.

"Joe, can I borrow your level? One of the bricks slipped out of the blasted fireplace."

"So the builder said: 'If you leave those cracks there, you're bound to get dry-rot.' Well, this burglar wanted \$300 just to slip a little putty in the . . ."

THAT IS OUR conversation on the day we rest. Sometimes I think Sunday is harder than the rest of the week.

Wait until the plumbing stops up at Kensington Palace. And they find tree roots have grown into the drain pipes! That costs.

THE MILKMAN for Kensington Palace is Mr. Fred Smith. He has shown a proper spirit.

"I am delighted with the news," said Mr. Smith. "I shall be pleased to serve the Princess." He did not mention Antony. But I don't think he will.

While Gene does eight weeks of Destry Rides Again at the Riviera Hotel in Las Vegas starting July 25, he'll also film some Bat segments during the day. And that means summer days in the desert town!

Rex Reason and Donald May who'll play reporters in Warner Bros. Roaring 20's TV series, found out just how it's done. Through the courtesy of the Herald-Express' city editor Aggie Underwood, they were sent out on the beat with one of Aggie's scribes, Eddy Jo Bernal.

TWO OR THREE years ago, would you have thought that Debbie Reynolds would become one of Hollywood's No. One Business women? I doubt it! Debbie has now set up her own independent movie company with Champagne Complex as its initial offering!

And to prove Debbie knows where the money is, she is after Glenn Ford as her co-star with whom she's made two other money-making movies last year. And this brings up the question: Is their romance still going on? Or is she balancing Glenn against Harry Karl? And is Debbie also becoming one of Hollywood's No. One fem fatales?

DIRECTOR DICK (Compulsion) Fleischer is trying to ink Brigitte Bardot for Willing is My Love but Brigitte begs off. She's still stymied by the English language.

Even before the Alan Ladd-Sidney Poitier starrer, All the Young Men, is released, producer Hall Bartlett is set to go with All the Young Women based on the preview audiences' enthusiasm.

MARLON BRANDO has lost his actor-friend Karl Malden for a role in The Ugly American because of delays in finding locations. This separation has also given rise here in Hollywood to the idea that they had too many arguments while making One-Eyed Jacks.

Ernie Borgnine became a star in Marty but his producers, Hecht Hill, Lancaster could do little else for him after that because he was too hard to cast. So Ernie bought off his half-million contract but still has another \$250,000 to go which he hopes to clean up in the next two years. Looks like he'll be able to do it now that he has a terrific two-picture deal after Go Naked in the World with Gina Lollobrigida.

Bob Hope was approached by a girl seeking a golf pro. "You want to learn to play golf?" Bob asked. "No, she said, 'my friend does. I learned yesterday.'"

Around Town

... with Hildy Crawford

The Wheel of Fortune will be spinning at Shadow Mountain Club Saturday night... when the Club stages its annual Monte Carlo Night... You can roll the dice... spin the roulette wheel... and lose your money at blackjack... and it's all legal for you use phony money... Each diner receives \$100,000 with his reservation... and those who have amassed enough money may use it to bid on such items as a TV set, radio, electric coffee maker and so forth... which will be auctioned off (for phony money only)... Last year a TV set went for five million dollars...

As soon as daughter Linda graduated from Palm Valley School this past weekend... the Bill Ottos took off for Los Angeles where they have taken an apartment on Wilshire which they will occupy through July... August and early September will find them at the Beach Club in La Jolla... and they will be returning home about mid-September...

One of the most delightful incidents at the Backstage Roundup... was that father and son bit by Allan Jones and Jack Jones... I just wished I could have heard it better (one of the loud speakers back of us was not functioning)... George Montgomery who emceed... was so impressed by Jack's voice and appearance that Jack is to appear on a Dinah Shore Show...

The Corwin Spencers are home from three months in South America... where they visited most of the countries... In

Chile they spoke with Adlai Stevenson... and they saw President Eisenhower in Montevideo and Uruguay...

In Lima Mrs. Corwin purchased a stuffed baby llama... to bring home for their grandchildren... The soft, cuddly little fellow was only about 22 inches high... and was a conversation piece on their travels as she carried it on the planes... When they got to the border... it almost didn't get through customs... because of the debate over classification... It finally made it as a "toy"... which any child could have predicted...

Sometimes a surprise party backfires... like the other noon time when hostess Pat Anderson... gave a luncheon as a surprise bon voyage for Mercedes Schwilck (she and Adrian planned a European jaunt)... complete with a replica of the SS United States... gifts and baby vanda orchids... and split bottles of champagne at each place... for a real sailing party...

Taking the wind out of the sails... so to speak... was Mercedes' opening announcement that they have canceled their trip...

The party was also planned as a celebration of the Tom Brown's new home... and there was a housewarming gift for Marge... and the whole party turned out to be more fun than ever... with Mercedes heading for home afterwards with the ship and champagne under her arm... and a prepared explanation for her husband...

When Pat's husband George came to pick her up... he arrived with a package of frozen buffalo meat... which Lou Kuehner had sent me from the Buffalo Barbecue... I liked it... and used the last of it in enchiladas...

Others at the gay luncheon party... which was at Howard Manor... were Caroline Berkey, Edith Morrey and Faye Kennebeck (I hadn't seen Faye since we all rode over to Golden Door together)...

Mickey Finn showed up in the office Monday morning... beardless and in civvies... and announced he's taking a three month's vacation from Hollywood and being one of the 10 top villains in movies (L.A. Press Club named him that)...

He's spending his summer doing the work that's always been closest to his heart... ever since his days as a Los Angeles policeman... youth work... He and Millie will spend the summer at Lake Hume (it's 45 miles east of Fresno in the High Sierras) providing a religious program for the camp which is sponsored by Southern California Churches...

MARRIED SUNDAY in a quiet ceremony at the Pardee Erdman of Santa Barbara. The couple Walter Braunschweiger home Rock Point, were will divide their times between Palm Springs and the former Betty Jo Daniels San Chez and C. Santa Barbara. (Posesil Photo)

Erdman-San Chez Vows Said

In a quiet ceremony at the hill-top home of the Walter Braunschweiger Sunday shortly after noon, Betty Jo Daniels San-Chiez and C. Pardee Erdman of Santa Barbara were married by Dr. Irma Glenn. Mr. and Mrs. Braunschweiger attended the bride and groom.

The bride wore a beige organza gown and tiger cymidium orchids, and the bridegroom wore a beige suit and white carnation boutonniere.

The bride's daughter Blair San-Chiez, and her mother Mrs. Harry A. Roth of Long Beach, were there for the ceremony. Also attending the wedding and the champagne wedding luncheon which followed at the Oasis Hotel, were the Frank Bennetts, H. H. Ridders, Donald McDermott, Mrs. Dolph Oberger, Mrs. James B. Oliver and children Carol and James B. Oliver Jr., Miss Gertrude Hunt and Peter Cavello. Arrangements of white shasta

daisies, gardenias and carnations, dotted with pink flowers, centered the luncheon table with white tapers in silver candelabra on each side.

The bride is a long time resident of Palm Springs and a member of Thunderbird Country Club. The bridegroom was professor of Biblical Literature at Occidental College until he entered the United States Navy and served as a Navy Chaplain during the War

and for a time afterwards. He is in investment management now. The Erdmans will divide their time between Santa Barbara and Palm Springs.

THREE WOMEN who played prominent roles in the installation meeting of the High School P-TA, Harpo Marx; and Mrs. John Gallenani, recipient were, from left, installing officer and retiring of an Honorary Life Membership.

Mrs. Harpo Marx Installed

Mrs. John Gallenani, who was instrumental in the organization of the Palm Springs High School P-TA, was presented with an Honorary Life Membership in the California Congress of Parents and Teachers, when the High School P-TA held its installation meeting in the school library. The presentation was made by retiring president Mrs. J. Allen Stone. Teachers and students entertained the parents in the program offered by Gus Patzner, instrument-

tal director at the high school.

Students Bob Beck and Cory Fisher played their own duo guitar arrangements of several folk songs with Bob handling the vocals. The vocal quartet "The Continentals" with Sid Sanders, Tommy Pickell, Peter Nila and Gary Beebe, who also accompanied on the piano, entertained with their versions of old favorites in swing rhythm. The instrumental combo composed of faculty members Gus Patzner on trombone, Joe Hess on piano, and Weyland Reynolds on guitar, with custodian Cliff Warner on trumpet and student Bob Johnson on drums, brought the program to a close with such numbers as "Sweet Georgia Brown" and "The Saints Come Marching In" a la Dixieland.

Installation officers for the year ahead closed the final meeting of the season. Retiring president Mrs. Stone installed the following officers: president, Mrs. Harpo Marx; first vice president, Tom Kieley; second vice president, Mrs. Jack Singler; third vice president, Herbert Samson; recording secretary, Mrs. Daniel Wagner; corresponding secretary, Mrs. Frank Hilton; treasurer, Mrs. M. O. Humphries; auditor, Dan Angel (teacher); parliamentarian, Pat Gary (teacher); historian, William Bruckner.

The following chairmen were appointed: Phillip Zanville, hospitality; Mrs. Oscar Gilbert, tea hospitality; Mrs. Gus Patzner, life membership; Mrs. Joe Butler, magazine; Mrs. Alfred F. Patane,

publicity; Mrs. Herbert Esblitz, safety; George Morris, student council.

Room representatives are Freshman class, Mrs. Robert Backstrom; Sophomore class, Mrs. Fred Morrison; Junior class, Mrs. Joseph Sage, and Senior class, Mrs. Hilton McCabe.

New president Mrs. Harpo Marx presided at a board meeting following adjournment at which time the program for the ensuing year was presented by Tom Kieley and approved by the board members.

Society Plans Shower for Homeless Infants

A unique baby shower will be held by the members of the Palm Springs Auxiliary, Children's Home Society, when they gather for a bridge - luncheon meeting at Shadow Mountain club, Thursday, May 26. Mrs. John Michelson, president, announces that each member attending will bring a gift of infant wear, not for one of their members, but for the infants under the care of the Society, which is located on West Adams in Los Angeles.

Among those planning to attend this last meeting of the season are: Mmes. Tom Brown, chairman for the luncheon; Adrian Schwilck and James Mitchell, all of Palm Desert. From Palm Springs, Mmes. James Fitzpatrick, Glenn Austin, Mel A. Crowell, J. R. Wahlberg, Robert Doan, Leonard Shoen, J. Allen Stone, Frank Gaudiello, John Galierini, Earl Carter and Alice Chase.

Sandwiches Hold Luncheon Installation

The Desert Hot Springs "Sandwiches," sand painters who have exhibited at several desert and southern California fairs and meetings, installed officers for the coming year at a Thursday luncheon in the Desert Highlands restaurant.

Dorothea Chester was installed as president, with Betty Lukowski vice president and installing officer for the president, and Enola Hulbert, secretary; Karen Thompson, historian; and Lillian Kleinjung, treasurer. Mrs. Grace Parsons Harmon was re-named publicity chairman, and presented a gift for her work during the past year.

Mrs. Thompson was hostess for the luncheon.

A LION CUB was the center of much attention at Saturday night's Beachcomber Party at the North Shore Beach and Yacht Club. Here Alice Faye Harris pets the cub, which is being held by Ray Ryan. (Gayle Studio Photo)

Lionize Beachcomber Party

An eight-week-old lion cub stole the show from hula and knife dancers at the Beachcomber Party tossed by Ray Ryan and Trav Rogers at their North Shore Beach Yacht Club on the Salton Sea over the week-end.

Ryan brought the kittenish king of the beasts to the party, which marked the first birthday anni-

versary of Ray and Trav's marine community of North Shore Beach. Gayly garbed as beachcombers, more than 400 Yacht Club members and their guests found paths leading to the party's beach site lighted by flaming torches.

Tables were set up water's edge and a gayly decorated floating barge served as bandstand, dance

floor and stage for the colorful Hawaiian entertainment presented by Tani Marsh and her troupe.

The beautiful buffet was centered by a 3-tier fruit arrangement and a suckling pig, complete with apple. Featured were such Hawaiian favorites as roast pork, barbecued beef and spare ribs, chicken almond, sweet potatoes and pineapple halves filled with fresh fruits and garnished with shredded coconut.

Among those enjoying the festivities and queuing up for a petting with Ryan's cute feline were the Clark Gables and their Bermuda Dunes house guests, Prince and Princess Alexander Hohenlohe (she's the former Honeychile Wilder), Alice Faye, the Bill Gargans, Bruce Cabot, Howard Hawks, Jack Kenastons, Mrs. Clarke Swanson, Al Hunts, Mayor and Mrs. Frank Bogert, Earl Cordreys, Mary Hurrell, Barney Hinkles, Milt Hicks and Jennie Rogers, Ralph Singers, Lou Manseus, Harry Joe Browns (Dorothy Gray), Winsome Courtney, Claude Valeurs, Orph Rank, Eric Stainton, Jim Welshes, Bob Tallaferrro, Gene Fretzes, Bud Graves, John Newells and the Al Johns (he's Real Estate editor of the L.A. Times.).

HULA MUSIC inspired Helen (Mrs. John) Kenaston to one of the graceful interpretative dances she learned in the Islands. The Kenastons were among the many guests at the Ray Ryan-Trav Rogers party. (Gayle Studio Photo)

Extend Contest Deadline for 'Letters to Father'

The fourth annual "Letters to Father" Contest has had its deadline extended to include replies posted no later than midnight, June 5th.

The long list of prizes for the best letter expressing a youngster's devotion to his dad on Father's Day — prizes valued at \$10,000, and including gifts for the boy or girl who writes the letter, and cigars for the father of the winner — has been augmented to include for the first time a "family prize." A camera capable of taking and developing pictures in sixty seconds, a family vacation wardrobe of shoes — three pairs each for four members of the family, with a choice of footwear for the mountains, the city or the beach, — will be presented to the family that produces the best group of individual letters, in the

estimate of the panel of judges. Judges of the contest are Mrs. Mary E. Buchanan, editor of Parents' Magazine, Mrs. Sigana Earle, director of home education, of Seventeen, Miss Joanna Foster, executive secretary of the Children's Book Council, W. A. Shannon, executive director National Father's Day Committee, Mrs. Elisabeth Logan Davis, author of "Fathers of America," and Eugene Raymond, president of the Cigar Institute of America. Children of high school age and under are eligible. Letters may be of any length, typed or handwritten. They should be sent to P.O. Box 533, Radio City Station, New York 19, New York.

Candy Chase Celebrates on Birthday

Thirteen of the younger set were entertained on Friday the thirteenth at the Oasis Hotel when they helped little Candy Chase, daughter of Mrs. Alice Chase and the late Corl Chase, celebrate her fifth birthday.

Candy, who is well known as a model and publicity girl, was given the party by Oscar Richter, manager of the hotel, for the modeling she has done in the fashion shows held there.

Pink and white carnations decorated the luncheon table and there was a beautifully frosted birthday cake in pink and white with roses for decoration and inscribed "Happy Birthday, Candy".

Among Candy's playmates at the party were Honey Alcorn, Michael Carter, Stevie Chapman, Robert Goldman, Carol Levin, Anthony Lopez, Donna and Bobby Mickelson, Larry Pitts, Anne Possel, Paul Schoen, Heide Schnable.

Also Mmes. Earl Corter, Ray Chapman, Joseph Goldman, Richard Levin, Ramona Lopez, John Michelson, Zachary Pitts, Sam Schoen, Trixie Jarrette.

Brewing Tea Is an Old Art

The method of brewing perfect tea has changed little in 4,000 years, says the Tea Council of the U.S.A.

The council said it still calls for a preheated teapot, freshly drawn water brought to a full rolling boil (reheated water gives a dull, flat taste), 1 tea bag or 1 teaspoon of tea leaves to each 6-ounce cup of water (double the amount of tea for iced tea), and three to five minutes of brewing.

Don't judge the strength of tea by its color, the council warned. Some weak teas produce a dark brew, while strong blends may produce a light one. Water differences also affect color. If you like the beverage weak, add freshly-boiled water after the brewing period.

Cielo Vista Installation Held in Park

Charles Wallace, school trustee, was installing officer when Cielo Vista P-TA held its installation of new officers at a picnic meeting in Tamarisk Park.

New officers installed were as follows: Mrs. John Gallarani, president; Mrs. Lester Shaw, 2nd vice president; Warren Danielson, 3rd vice president; Cecile Smith, recording secretary; Mrs. Harry Rabinovitz, corresponding secretary; Mrs. A. P. Normandin, treasurer; Mrs. Marshall Goodwin, historian.

The large gathering was entertained by the 4th and 5th Grades Chorus under the direction of Margaret J. Wilcox, district vocal teacher. The newly organized band of 5th and 6th graders, under the baton of Richard C. Dahlgren, also played several selections.

Honoring her son Tony's 13th birthday, Mrs. Anthony Judulang provided a huge birthday cake that was served to the 400 people at the picnic.

Lemon Twist

The lemon has an exotic past. In ancient China it was the Li-Mung and was celebrated as being "official to women."

Chinese women not only used it as beauty aids in the form of balms and salves, but as essential ingredients in love potions.

Pirates

Dodgers Move Up One Spot

By FRED DOWN
United Press International
The Dodgers are wrestling with a five-year-old question again: Is Sandy Koufax on his way to stardom or was Monday night's one-hitter just another false start?
It's the same old question they've been trying to answer about the 24-year-old fireballer ever since he was signed to a \$21,000 bonus contract in 1954. One day Sandy looks like a world beater. But then weeks, even months, may pass before he wins another game.
His 1-0 victory over the National League leading Pittsburgh Pirates for example, was his first triumph since Aug. 31, 1959, when he tied Bob Feller's major league strikeout record by fanning 18 San Francisco Giants in one game.

ONLY ONE THING remains constant about Koufax—when he's really got it he's one of the most overpowering pitchers anybody's ever seen.

It was like that Monday night when 6-2, 210-pound Sandy yielded a single in the second inning to pitcher Benny Daniels and then just "bombed" the Pirates with his fast balls. He walked six but he struck out 10 and there wasn't a semblance of a hit after the second frame.

But, then, there's the other Koufax—the Koufax who has a 29-31 career record, including 1-4 this season and who didn't win a game all last September or in the first five weeks of this season.

THE DODGERS VICTORY cut the first-place Pirates' lead over the San Francisco Giants to one game and moved Los Angeles past the St. Louis Cardinals into fifth place. The Chicago Cubs topped the Cincinnati Reds, 7-6, in 13 innings and the New York Yankees shaded the Kansas City Athletics, 4-3, in the only other major league activity.

George Altman hit his second homer of the year to break up a three-hour and 54-minute marathon in Cincinnati after the Reds tied the score at 6-6 on Gus Bell's two-run homer in the 12th. Nine pitchers saw action in the game and there were six homers—by Walt Moryn, Jim Brosnan, Ed Bailey and Vada Pinson in addition to those by Bell and Altman.

THE YANKEES beat the Athletics for the 21st time in their last 26 games when pinch-hitter Elston Howard's sacrifice fly scored Gil McDougald and snapped a 3-3 tie in the ninth. Rookie John Gabel received credit for his second victory but fireballer Ryne Duren really locked it up for New York by retiring the Athletics in the ninth via three strikeouts.

Joe Louis Plans To Publicly Spy On Ingo Today

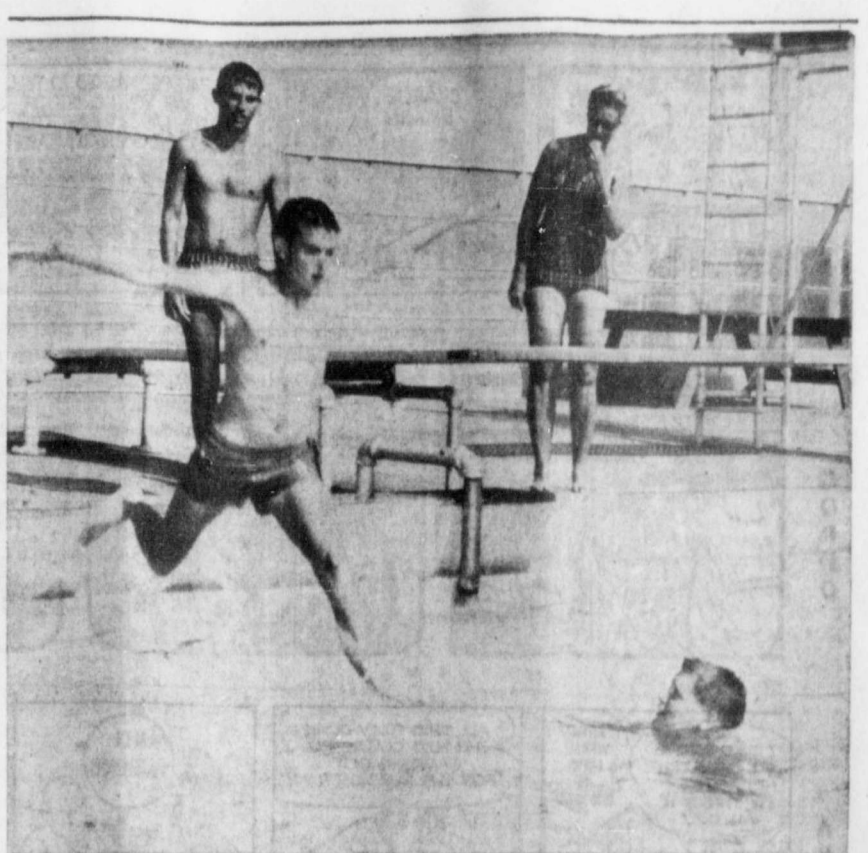

GROSSINGER, N.Y. (UPI)—Joe Louis, who has received more advance publicity than any other "susp" in history, was scheduled today to do some very public "snooping" today at the training camp of heavyweight champion Ingemar Johansson.
The celebrated "Brown Bomber" makes no secret of the fact he wants to learn something that will help Floyd Patterson beat Johansson in their return title fight at New York June 20.
Louis is now an adviser to ex-champ Patterson and announced some time ago that he would visit Johansson's camp today to see what he could find out. Johansson's handlers say Louis will learn the champ is more dangerous than ever.
"This guy has more power than before, is hitting harder and sharper, and has all the confidence necessary to stop Patterson early," said veteran trainer Whitney Bernstein.

Water Safety Is Stressed in Two School Classes

American Red Cross review class in life saving and water safety will be presented at Palm Springs High School on two consecutive Saturdays for persons with current instructors cards or for those whose cards have expired.
Wayland Reynolds, assistant principal of Palm Springs High School will conduct the class next Saturday from 9 a.m. to 1 p.m. and John Kraft, director of water safety for Riverside County Chapter, American Red Cross, will be in charge, Saturday, June 4 at the same hours.

A VOLUNTEER course in life saving, sponsored by the Red Cross, is now under way at the High School for students who have attained the age of 16 or over. Instructors for the course are Mrs. Dorothy Bryant, David Michel and Wayland Reynolds.

THE PURPOSE of the course, its sponsors said, is not to train life guards but to educate and certify those who are able to complete it with a knowledge of lifesaving techniques and devices. The class consists of the eleven following students: Dene McGriff, Russell Twist, Tom Sills, Warren Strayham, Joel Freeman, Richard Jones, Al Avaharian, Brian Irish, Mike Friedrich, Pat Henry and Lucile Wolf.

Marichel's 1.68 ERA Tops PCL Pitching to Date

SAN FRANCISCO (UPI)—Pitcher Juan Marichel of Tacoma tops the earned-run averages in the Pacific Coast League with 1.68 runs per nine innings, according to averages released today and including Sunday's games.
And Harry Bright of Salt Lake City leads the hitters with a .385 average.
Marichel, who has won six and lost one for the Tacoma Giants, also leads in strikeouts with 51. Bright leads in the league in runs-batted-in with 30 and is second to Gordon Coleman of Seattle in total hits with 52 to 53.
J. W. Porter of Sacramento tops the home run derby with 10.

Tribe Netters in CIF Semi-Finals

Matches Slated At San Marino This Afternoon

Coach Seamus Nunan and his Palm Springs High School boys' tennis team boarded a bus this morning for San Marino where they will meet San Marino High in the semi-finals of the California Interscholastic Federation tennis championships, starting at 1 p.m. today.

The match had originally been scheduled for the Racquet Club courts here but under CIF rules it was shifted to San Marino as the latter had won their quarter finals match away from home and the Indians had played at home defeating Coronado last Friday.

COACH NUNAN planned to use the same line-up he used against Coronado Friday in this afternoon's matches.

Playing one set each against each of San Marino's singles line-up will be Gary Grossman, Roger Burton, Steve Rosen and Dave Teitelbaum.
Playing two sets against each of San Marino's doubles teams will be Frank Ripley and Gene Neischuler in one team and Erik Williams and Briggs Bosworth in the other.

THE SCORING is under CIF rules—one point for each set in the singles and one and one-half for each set in the doubles, a total of 28 points for the matches.

If the Indians are victorious today they go into the finals on Friday. These, coach Nunan believes, will be on a neutral court.

Silver Spoon to Face Fast Field Weighted at 128

INGLEWOOD (UPI)—Star filly Silver Spoon, pacing an unladylike 127 pounds, raced against 10 other speedy members of the equine fair sex today in Hollywood Park's \$15,000-added Sequoia Handicap.

C. V. Whitney's stable won the race last year with Euc Bresh, which carried 128 pounds in the six furlong event.

Silver Spoon's competition included Conejo Ranch's Honeys Gem and Liberal Lady, both of whom chase Bug Brush to the wire last year. Also going were Gum Box, Sue III, Social Event, Midnight Date, Love in View, Lindaway, Sweet June and Queen America.

Bally Ache's Preakness Win A Matter of Larceny

NEW YORK (UPI)—Bally Ache's Preakness was regarded today as largely a matter of larceny.

"The Highwayman, who also came riding," well might have been the poetic commercial for this one because there were those who figured that:

1. Bally Ache "stole" the race.
2. The new syndicate which owns the colt pulled off a neat theft by getting him just before this important race.
3. Former owner Leonard Fruchman had his pocket picked of the handsome Woodlawn Vase awarded the winning owner.
4. Kentucky Derby winner Venetian Way, according to his trainer, was "robbed" by Willie Hartack's ride.
5. And racing was robbed out of a triple crown winner for the 12th straight year.

Dumas and Thomas to Compete at Compton

LOS ANGELES (UPI)—The first outdoor meeting of high jumpers Charley Dumas and John Thomas today was the feature unveiled by the Compton Invitational Track and Field Meet for June 3.

Dumas and Thomas have been competing outdoors at opposite ends of the country this season. Thomas, the Boston sophomore, last Saturday leaped 7 feet, 1 1/2 inches. Dumas, the Olympic champion, also has bettered 7 feet this year.

COMPTON MEET DIRECTOR Herschel Smith officially announced Monday before the Southern California Track and Field Writers and Coaches Association that Thomas had accepted an invitation to the June 3 meet.

Dumas, who competes for University of Southern California, appeared at the meeting but refused to guess how well he would do against Thomas who has beaten him four times in indoor meets.

"I've had to settle for second each time we've met," Dumas said. "Dumas is a tough competitor." Dumas rates the Compton jump as one of his favorites because of the clay runway. He formerly attended Compton Junior College and had much of his early competition there.

UCLA AND SOUTHERN CALIFORNIA travel to Seattle, Wash., this weekend for the AAUW "Big Five" track meet. Coach Jess Mortensen of the Trojans would not pick his team to win the meet but coach Elvin (Ducky) Drake of UCLA said Southern California should take first easily with the other four schools competing for the also-ran positions.

The track association picked Mike Larrabee of the Southern California Striders as track athlete of the week for his 46.7 victory in the 400-meter dash at the Coliseum relays. Weightman Bob Humphreys of the Striders and a broad jumper Luther Hayes of Southern Cal were named co-field athletes of the week.

Holland Wins in British Amateur

PORTLUSH, Northern Ireland (UPI)—Tim Holland, Rockville Centre, N. Y., filling his role superbly as America's top hope in the British Amateur Golf Championship, swept into the third round today with a 7 and 6 triumph over Tom Bryan Hoey of Ireland.

Bally Ache's Preakness Win A Matter of Larceny

these sporting indictments, it can be accepted that the front running pain in the other three year olds' turnouts did a neat job on the head end. He set his own pace without challenge until it was too late and the result was the third slowest race in the last decade. His jack rabbit gambol down the stretch merely accentuated the lack of early contention.

Vic Sovinski, disappointed trainer for Venetian Way, emphasized this when he asserted that Hartack should have made a run at Bally Ache on the backstretch. If you go along with those who figure Joe Arnold's syndicate made a nice "steal" by purchasing Bally Ache before the Preakness for \$125,000, you are not the type who would enjoy a penny ante poker game.

THE COLT'S EARNINGS now total an overall \$664,527 and if, as planned, he can top Round Table's world record earnings of \$1,749,-

Probe Reports of Venetian Way Tampering Plot

NEW YORK (UPI)—Reports that Venetian Way, the Kentucky Derby champion who flopped in the Preakness, might have been the victim of tampering are under investigation by the Thoroughbred Racing Protective Bureau.

"We are investigating thoroughly and will try to run down all those rumors about Venetian Way," said Spencer Drayton, former FBI agent who heads the TRPB.

There were reports that Venetian Way might have been treated with butazolidin, a pain-killing drug which is banned in Maryland but not in Kentucky. However, trainer Vic Sovinski denied after the Derby that Venetian Way was sore or required any special drugs.

Willie Hartack, the jockey who rode Venetian Way to a first-place finish in the Derby and fifth in the Preakness, said after the latter that something was wrong with the colt.

"It had nothing to do with the trainer or the track conditions either," said Hartack.

Dodgers May Get Into New Park In 1961—Maybe

LOS ANGELES (UPI)—The battle over the proposed Los Angeles Dodger stadium in Chavez Ravine got another airing today before the City Council's Planning Committee.

The City Council must approve the tract maps before final construction costs and plans for roads leading into the ravine can be completed.

In a report made public Monday, city administrative officer Samuel Loask Jr. said final costs and roads plans would take six months to be completed after the tract maps are approved.

He also revealed that the Dodgers would have to spend \$1,400,000 above the city's guarantee of two million dollars to complete grading for streets, improving the stadium site and relocating utilities.

The baseball club originally had hoped to have its stadium built by this season. It now hopes to move in "sometime" next year—maybe.

FDR THREW THE SWITCH IN 1935

Reds Mark Quarter Century of Night Ball

CINCINNATI, Ohio (UPI)—The last major league holdout against night games and the first professional baseball team to play under the light combine tonight to celebrate the 25th anniversary of night baseball.

It was May 24, 1935, when President Franklin D. Roosevelt threw a switch in the White House that illuminated Crosley Field here for the first night game between the Cincinnati Reds and the Philadelphia Phils.

TONIGHT, THE Reds and Chicago Cubs, a team which does not have lights in its home Wrigley Field, will meet to celebrate the silver anniversary of that first contest.

Big Paul Derringer, one of the all-time Cincinnati greats, will toss out the first pitch. He pitched 25 years ago when the Reds defeated the Philadelphia Phils, 2-1, in the first arc light contest.

NAME GOLFERS BEATEN IN U.S. OPEN TRIALS

NEW YORK (UPI)—Another 21 berths in the next qualifying round for the U. S. Open golf championship are up for grabs today at San Francisco and Indianapolis but it's wait 'till next year for Al Balding, Jim Ferree, Freddie Haas and a few other stars who missed out in the first round.

Three hot-shooting Californians, all playing at LaJolla, Calif., paced the nation with seven-under par 133's in preliminary trials scattered across 54 cities Monday, leading 421 players into the second series of tests scheduled in 13 cities June 6-7.

Amateurs M. O. Johnston Jr., and Charles Cortney, both of LaJolla, and pro Dick Collett of Coronado, Calif., zipped around the LaJolla layout in 133 for a one-shot narrow lead on the nearest name player Jimmy Clark of Saticoy, Calif., who led the field at Little Rock, Ark., with 67-134.

But Little Rock was a disaster area for a few name pros who stopped off on their tour of the circuit to compete in the Little Rock section.

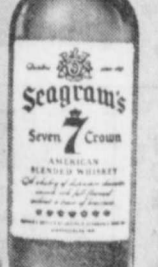

Canadian star Balding and John McMullin of Flair Oaks, Calif., were among five beaten in a playoff for the last berth. Ferree, tournament tourist from Winston-Salem, N. C., collapsed in the 90 degree heat and 75 per cent humidity and didn't finish.

Twenty-one others, led by defending champ Billy Casper, PGA champ Bob Rosburg and British Open champ Gary Player, were exempt from both the qualifying tests and they'll fire their first shot in the tournament proper when a field of 150 tees off at the Cherry Hills Country Club in Denver on June 16.

FIGHT RESULTS

NEW YORK (UPI)—Jose Gonzalez, 155 1/2, Atropa, P.R., drew with Guy Sumlin, 146 1/2, Pritchard, Ala. 10.

PHILADELPHIA (UPI)—Stanley Kitten, 151, Philadelphia, outpointed Ike White, 154, Philadelphia, 8.

By Her Family

Betty Johnson Won't Be Spoiled

By JOYCE SCHULLER
United Press International
CHICAGO — (UPI) — Will success spoil Betty Johnson, popular singer and TV star?
Not if her parents can help it. Betty, who appears regularly on the Jack Paar show, frequently on the Ed Sullivan show and has made such popular recordings as "I Dreamed," "Little Blue Man" and "Dream" has impressed many people.

"BUT NOT MY family," she said. "My father still reminds me that I can't read any music but shaped notes."
Shaped notes, Betty explained, are a simple kind, which were widely used in the South by gospel singers during the 19th century. They're easy to read because the shape of the note indicates the scale degree represented.

BETTY LEARNED to read shaped notes from her father, back on the farm where she grew up in the North Carolina foothills of the Smoky Mountains. Her parents still live there.
It was with her family that Betty first turned professional. They sang hymns and spirituals as a group in local churches and even in the fields at harvest parties.

CHARLIE WEAVER TO JOIN MOORE

Cliff "Charlie Weaver" Arquette and Dorothy Collins join regulars Marion Lorne, Carol Burnett and Durward Kirby on "The Gary Moore Show" Tuesday, May 24, CBS Television Network, 10-11 p.m. One of Allen Funt's "Candid Camera" vignettes also is featured on the program.

"That Wonderful Year" for this week's show is 1925. In the model are such all-time favorites as "Sleepy Time Gal," "Remember," "Cecilia," "I'm Sittin' on Top of the World" and "Alabama Bound." The finale production number, featuring Miss Collins, is built around the song "Who."
By popular demand, "The Gary Moore Show" repeat one of the sketches seen earlier this season — the old nursery rhyme, "Peter Piper," as it might be seen in a courtroom setting.
With summer and vacations hard upon us, Moore and his regulars also take a light look at travel agencies and vacation cruises. Other comedy bits include an examination of the future possibilities and uses of the vending machine, and a sketch titled

TV Notes

NEW YORK (UPI) — Nanette Fabray, one of the real musical comedy pros, gets a "book" show for her next TV outing, an NBC "Starline" special from 8:30 to 9:30 p.m. (EST) May 31.

It should be a pleasure to see her in something besides a variety format. Tony Randall will be vis-a-vis, and the original story by Danny Arnold has a fantasy setup that will display the star as Marie Antoinette. Matt Hari and Cleopatra, Alex Stordahl will supply the melodies and Jack Brooks the lyrics.

The "Talent Scouts" title that was associated so long with Arthur Godfrey's name will be back on TV beginning Aug. 1. CBS will offer it from 9 to 9:30 p.m. (EST) Mondays for nine weeks while "The Danny Thomas Show" vacations. The format will be different than it was with Godfrey. The

talent scouts who sponsor promising performers will be persons prominent in show business instead of just anyone. The new technique was tested a few months ago in a one-hour "Talent Scouts" special on NBC.

Its sponsors have assured "Wagon Train" of another go-round on NBC. The 1960-61 season will be the fourth for the hour-long western.

An item now in the script will be seen in the episode of ABC's "Donna Reed Show" to be aired June 2. A sequence called for Shelly Fabares to make some cereal in a pressure cooker. The lid blew off, showering the girl and set with oatmeal. The cameras captured the incident which turned out to be funny enough to be kept in the show.

THE BRISTOL 11

GETTING A HEAD START in Kiddie College are these two youngsters who helped with the ground-breaking for the moppet school on Compadre Road and Rancho near Ramon Road, which was held last week. The young ladies with the shovel are Pamela Russell, 3 years of age, and Sheila O'Byrne, who planted the ceremonial spade under the expert supervision of five-year-old Mike Gomez. Mrs. Edith Ritter, Kiddie College founder and head, presided at the informal ceremonies.

SOWING A GREEN BAND around the world to offset the "Red" band, Fatty Mozier, world traveler and lecturer was the featured speaker at the Palm Springs Rotary Club last week. Mozier is pictured with Bill Smith, right, Rotary program chairman, and Clarence Brechlin, president of Rotary. Mozier, who is affectionately called "Fatty Gardens," had traveled some 32,000 miles on his last goodwill tour and gave away more than 250,000 packages of garden seeds.

MEMORIAL RITES BENEFIT LIVING

The annual observance of Memorial Day increasingly benefits the living, while paying homage to the dead, it was pointed out today by Joseph S. Long, President of the American Cancer Society's Riverside County Branch. He said that the Society receives a growing number of voluntary contributions each year in advance of the national holiday for support of its programs dedicated to the conquest of cancer.

"SUCH CONTRIBUTIONS not only honor the dead, but help provide extended life for many of those now living," Long declared. Reviewing the background of annual Memorial Day observances he explained that the holiday had its origins in the Civil War. It arose from a Southern practice of decorating the graves of Confederate dead on a specific day each year.

The custom spread to the North, and after the Spanish-American War Memorial Day became a national holiday commemorating all of those who had fallen in war. Today Memorial Day is celebrated in every state in the union and has come to be a day of commemoration for all dead.

JUST AS MEMORIAL DAY has increasingly taken on a broader commemorative meaning, so has the Society's memorial program grown, according to Long. Memorial giving normally reaches its peak during the latter half of May. The custom of remembering loved ones in this way is becoming more wide-spread each year, he said.

He said that volunteer workers will be on duty all week to process this year's memorial gifts. Each contribution is acknowledged not only to the donor, but to a relative or friend of the person whose memory is being honored, if that is the donor's wish.

COMMENTING ON the growth of memorial giving in recent years Long called attention to the fact that not all memorial gifts are made in memory of those who have passed on. Happy events such as weddings, anniversaries, birthdays, and business advancements also are commemorated with memorial donations he pointed out.

Gifts in connection with the Memorial Day observance should be addressed to the American Cancer Society's Riverside County Branch at 4241 Market Street, Riverside, he said.

In 1925, Arkansas became the first state to ratify the proposed child labor amendment to the Constitution. It still hasn't been adopted.

ALMANAC

By United Press International
Today is Tuesday, May 24, the 145th day of the year, with 221 more in 1960.

The moon is approaching its new phase.

The morning stars are Mars, Jupiter and Saturn.

On this day in history:
In 1626, Peter Minuit, director of the Dutch West India Trading Company, bought the island of Manhattan from the Indians for the equivalent of \$24.

In 1819, Victoria, queen of Great Britain and Ireland and empress of India, was born.

In 1879, American actor Richard Mansfield was born.

In 1883, the Brooklyn Bridge was opened.

In 1958, United Press and International News Service merged to form United Press International.

In 1959, Secretary of State John Foster Dulles died of cancer.

Thought for today: American clergyman Reinhold Niebuhr said, in "The Children of Light and the Children of Darkness:" "Man's capacity for justice makes democracy possible, but man's inclination to injustice makes democracy necessary."

Congress Probe Seen Over Summit

Senate's Foreign Relations Group May Undertake Quiz

By WILLIAM THEIS
WASHINGTON — UP — Congressional investigations of events leading up to the summit conference collapse appeared certain today in the wake of a new Democratic slap at the administration.

The Democratic Advisory Council, in a statement endorsed by three presidential possibilities, accused the Eisenhower administration Sunday night of a "series of blunders" which allowed Russia to wreck the summit talks.

WITH THE HANDLING of the U.S. spy plane incident shaping up as a major campaign issue, new demands arose in Congress for investigations of American foreign policy.

These were the major developments during the weekend.

Chairman J. William Fulbright (D-Ark.) of the Senate Foreign Relations Committee said Congress should investigate the U-2 plane incident and his group was the proper forum for the inquiry. Senate Democratic Leader Lyndon B. Johnson agreed.

Rep. Edna F. Kelly (D-N.Y.) said she would urge her House Foreign Affairs subcommittee to undertake an immediate inquiry into the circumstances surrounding the summit collapse.

CHAIRMAN HENRY M. Jackson (D-Wash.) said his Senate subcommittee on national policy machinery would open hearings Tuesday on coordination between the State and Defense Departments.

Sen. Jacob K. Javits (R-N.Y.) said it would be a good place to deal with the U-2 incident.

Johnson proposed in Oklahoma City that President Eisenhower launch a crash program to provide a reconnaissance satellite with a TV camera regardless of the cost. He said information gathered by the satellite should be shared with all United Nations members.

DEFENSE SECRETARY Thomas S. Gates Jr. said Russia's hard new line against the United States posed "greater concern" but he had no immediate plans to shake up the nation's defenses. Gates, returning from Paris, also said he took full responsibility for the world-wide U.S. defense communications alert last week. He said it produced excellent results.

The Democratic advisory group, ending a two-day meeting here, called for a great election-year debate on foreign policy. The statement was endorsed by Sen. John F. Kennedy, Sen. Stuart Symington and Adlai E. Stevenson, all possible presidential nominees, as well as former President Harry S. Truman and other party leaders.

MEMENTOS OF EXOTIC places are shown by Mrs. Anton Knutson, left, of Reynold, Ill., to her sister, Doroth Von Ach, desk clerk at the Desert Air Hotel near Palm Springs. Mrs. Knutson and her late husband made hunting and photographic expeditions to Kenya-Tanganyika in 1937, India in 1953, and India-Nepal-Kashmir in 1957. The world traveler, who recently attended a reunion of the Shikar Safari Club, Palm Springs, at the Blitmore Hotel, has visited Europe, Africa, the Near and Middle East, Asia, Alaska, and the icy waters north of frigid Spitzbergen. Mrs. Knutson is visiting her sister during a few days holiday at the Desert Air Hotel. (W. Lee Wenzlick Photo)

Dugas Rosary, Funeral Slated In San Gabriel

DESERT HOT SPRINGS — Rosary service for Emil Dugas, 50, a winter resident at 13-169 Mesquite Street here who died at home here Saturday, will be held at the Pierce and Hamrock Mortuary Chapel, 821 West Venice Boulevard, San Gabriel, at 9 p.m., Tuesday.

Funeral services for Dugas will be held at 9:30 a.m. Wednesday in St. Felicia's Catholic Church, San Gabriel.

A native of Struthers, Ohio, Dugas had lived in California since 1932, and in San Gabriel since 1950. He has had a home here for six years. At the time of his death, he was a partner in the Wire Enterprise Company of Los Angeles.

Dugas is survived by his wife, Mrs. Irene Dugas; three daughters, Barbara and Linell of San Gabriel, and Mrs. Carol Cox, Los Angeles; a sister, Mrs. Mary Hamrock Los Angeles; and brothers whose names were unknown here today.

Riverside deputy coroner Robert Drake termed a heart attack the cause of Dugas' death.

The Boy Scouts of America was chartered on Feb. 8, 1910.
